Company Summary

Colmex Construction, founded in 2008, has provided General Contracting Services on the Gulf Coast as Prime Contractor, completing over **200 projects**, including both Residential and Commercial, for some of the most recognized local entities. Our services include **New Construction, Renovations & Disaster Recovery Services**. We deliver these services by providing a team of skilled professionals centered on Performance, Cost Management, High-Quality Workmanship, and Schedule Management.

Our purpose is to provide an enjoyable construction experience and create long-lasting relationships!

Our Core Values:

- Commitment**
- Opportunities**
- Leadership**
- Mutual Support**
- Empathy**
- Xcellence**

Our team strives to work effectively and efficiently in order to reach a single result:
“Exceed customer satisfaction”.
 As a team, we carry out a joint action where each individual contributes specific skills in order to achieve a common goal.
